Professional profile

Graduate in Nautical Science and Maritime Transport, holder of the Spanish Capitán de Yate certificate and GMDSS GOC. Documented sea service as Deck Cadet on Ro-Ro/passenger vessels and a sailing cruise ship, plus recent shore-based maritime radiocommunications experience at the Valencia CCR. Based in Alicante and available to consider clearly scoped yacht assignments, subject to prior review of applicable requirements.

Documented experience

- **CELLNEX TELECOM | Valencia CCR** 9 Feb 2026 - 30 Jun 2026
Maritime Radiocommunications Operator
Handled DSC alerts and distress, urgency and safety traffic on VHF, MF and HF; maintained emergency watch; supported NAVTEX and maritime safety broadcasts; coordinated with Spanish Maritime Rescue.
- **NAVIERA ARMAS | Deck Cadet** 2023 - 2024
Al-Andalus Express | 158 m Ro-Ro/passenger | 1 May 2023 - 30 Sep 2023
Volcán de Tamasite | 142 m Ro-Ro/passenger | 15 Oct 2023 - 26 Feb 2024
Navigation watches and support with manoeuvres, safety rounds, ramp operations, vehicle and dangerous-goods distribution, maintenance lists and safety-equipment checks.
- **STAR CLIPPER LTD | Royal Clipper** 9 Jul 2022 - 20 Oct 2022
Deck Cadet | 134 m | Sailing cruise vessel
Supported sailing navigation and manoeuvres, bridge watches, deck safety and passenger operations across the Mediterranean, Atlantic and Caribbean.

Assignments considered

- Local yacht movements and berth changes
- Coastal delivery support
- Post-maintenance sea trial support
- Buyer handovers and owner-yard support

Operational strengths

- **BRIDGE & MANOEUVRES**
Navigation watches, arrivals, departures and deck support.
- **GMDSS RADIO**
DSC, VHF/MF/HF, NAVTEX and maritime safety communications.
- **ONBOARD SAFETY**
Safety rounds, equipment, passengers, ramps and dangerous goods.
- **COORDINATION**
Maritime Rescue, crew and owner-yard operational support.
